

Girod'Italia ~ Expo Milano 2015

Learn Italian while tasting

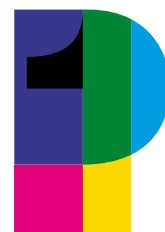

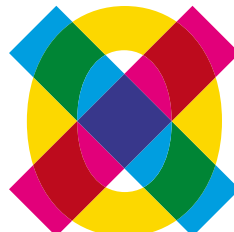

For the occasion of Expo Milano 2015 *Nutrire il Pianeta, Energia per la Vita*, (Feed the Planet, Energy for Life) the biggest food and nutrition event ever held, **Tandem Italy** is proposing a study holiday on the trail of taste and the flavors of the traditions of Italian food and wine, done with care, love and attention to detail.

€850

The programme has a minimum duration of 2 weeks, the first in **Rome, Florence** or **Venice** and the second in **Milan**. It is possible to extend the duration to 3, 4 or more weeks.

TANDEM is an international network of quality language schools in Europe and the Americas.
Tandem Italy unites the Italian schools throughout Italy, in the cities of Rome, Florence, Venice and Milan.

The only place
where Italians
don't show up late
is to the table.

Programme

During the two weeks, Italian language lessons will be held in the mornings, while the afternoons activities will be dedicated to the culture of wine and food: guided tours of wine and oil producing farms, cooking lessons, wine tasting, tours of food markets, lessons and seminars on the history of food and diet, guided visits to museums that feature works dedicated to cooking and local products. Some activities will be free others will have an additional cost. Students can select the activities they wish to take part in.

The last week in Milan will feature visits to the Expo: a trip through the scents and flavors of quality food from all over the world, with the possibility of attending conferences and debates, learn the latest news and proposals for food and environmental sustainability of our planet.
